WHAT DO WE STAND FOR?

WE BELIEVE IN OURSELVES AS WOMEN.

We provide diverse and inclusive opportunities for women to develop professionally and personally, with continuing education, facilitating certifications, and through building strong networks and friendships.

WE PERSEVERE WITH THE STRENGTH OF OUR CONVICTIONS.

In its 51 years of service to its members, NAWIC has advanced the causes of all women in construction whose careers range from business ownership to the skilled trades.

WE BELIEVE IN THE POWER OF EDUCATION & CONNECTION.

As you attend meetings you will hear program speakers and learn about your fellow members. You will become aware of the professional contacts, opportunities for continuing education, and involvement with others in our industry. This awareness has allowed many of our members to grow professionally and develop long-term personal friendships.

WE DARE TO MOVE INTO NEW HORIZONS.

This future is ours to build and shape. We are pushing the boundaries and bucking the status quo. We are committed to championing women to impact the direction of the construction industry.

WE'VE ALL BEEN THERE.

Whether you are new on the job, or an industry veteran — most of us have had a look around and noticed women make up a small percentage of the workforce in the construction industry. The numbers don't lie.

That can feel lonely, competitive, and sometimes uncertain.

But guess what, you are not alone. Accelerating your career over obstacles, meeting challenges head on, learning from those that have come before us, and clearing the way for those that come after us.

That is what NAWIC is about.
